

ARTICLE XX
ADDITIONAL HEIGHT, AREA & USE REGULATIONS

Section 1. Qualifications and Supplementations to District Regulations: The regulations hereinafter set forth in this section qualify or supplement, as the case may be, the district regulations appearing elsewhere in this Ordinance.

1. In districts where public building, semi-public buildings, public service buildings, hospitals, institutional buildings, and churches and similar places of worship are permitted, one foot (1') of additional height will be permitted for each one foot (1') of additional building setback provided.
2. Chimneys, cooling towers, elevator head houses, fire towers, grain elevators, monuments, stacks stage towers or scenery lofts, tanks, water towers, ornamental towers and spires, church steeples, or necessary mechanical appurtenances which do not conflict with airport approach zones, may be erected to a height not to exceed one hundred fifty feet (150').
3. Accessory buildings can be built in a rear yard only, but such accessory building shall not be closer than ten feet (10') from the main building or any other accessory building. An accessory building may be constructed on the rear property line if adjacent to a dedicated alley or easement, except when a garage is entered from the rear property line, a setback of ten feet (10') shall be required. If the rear property line is not adjacent to an alley or easement then an accessory building may be constructed no closer than the required side yard.

No accessory building in excess of one hundred (100) square feet may have metal exterior.

EXCEPTION: In the use of a pre-engineered wood frame structure with metal exterior covering the following shall apply:

- a) With minimum of 12-inch overhangs on the roofs with enclosed soffits.
- b) Residential type doors and windows.
- c) A wainscot around the perimeter of the entire building to break-up the appearance of the continuous vertical siding, using a complementing color.
- d) The exterior wall coverings and roof to match the color of the main residential structure upon the lot that the accessory building is located.
- e) Gutters and down spouts provided.

4. No accessory building shall be constructed upon a lot until the construction of the main building has been actually commenced, and no accessory building shall be used for dwelling purposes.
5. The setback line shall be determined by measuring the horizontal distance from the Lot line to the nearest architectural projection of the building (porches and stoops are included).
6. Open lattice-enclosed fire escapes, fireproof outside stairways and balconies opening upon fire towers, and the ordinary projections of chimneys and flues into the rear yard may be permitted by the Zoning Administrator for a distance of not more than three and one-half feet (3 ½') and where the same are so placed as not to obstruct light and ventilation.
7. For the purpose of the side yard regulations, a two-family dwelling, or a multiple family dwelling shall be considered as one (1) building occupying one (1) lot.
8. Temporary building and temporary signs that are used in conjunction with construction work may be permitted in any district during the period that the building is being constructed, but such temporary building and/or sign shall be removed upon completion of the construction work or not more than thirty (30) days thereafter.
9. When a lot of tract is used for nonresidential purposes, more than one (1) principal use may be located upon the lot or tract but only when the building or buildings conform to all yard and open space requirements for the district in which the lot or tract is located.
10. No side yards are required where dwelling units are erected above commercial and industrial structures.
11. Radio and television towers shall be permitted in any I-1, I-2, or I-2A or industrial districts providing the height of said radio or television tower does not conflict with any airport approach or landing zone or with any other ordinance and said radio or television tower is not closer than one hundred fifty feet (150') to any residential distance.
12. No portion of open air swimming pool outside a building shall be located at a distance less than six feet (6') from the side yard property line, three feet (3') from the rear yard property line and a setback from the main structure is not required.

13. If forty percent (40%) or more of the existing buildings are less than the required setback, a builder may line up with the existing building line, provided that it is not less than one-half (1/2) of the required setback.
14. On lots where mobile homes are located, the minimum side lot width required shall be ten feet (10').
15. The Planning Commission may require a six foot (6') high solid wood fence or similar screening device.

Section 2. Fences: Except as otherwise provided in this Ordinance, fences may be permitted in any required yard after a permit has been obtained from the building department.

1. District "R-1" to "I-2A" inclusive: All fencing shall be constructed of brick, wood, metal, concrete block, chain link, vinyl, or other material normally intended to be used for Residential fencing. Prohibited fencing materials include Electric, or any fencing material with sharp points.
2. Barbed wire fences are prohibited in all **residential** districts.
3. Height of the fence shall not exceed six feet (6') along the rear lot line and the side lot line. In any required front yard, the height of the fence shall not exceed four feet (4') from the adjacent grade or the top of the curb as designated by the Building Inspector. However, the fence may be uniformly tapered from six feet (6') at the end of the side yard, to the front yard property line.
4. **In commercial and industrial districts**, for security purposes only, barbed wire fencing may be used. The barbed wire shall be at least six (6) feet above grade, and not to exceed seven (7) feet from the immediate adjacent grade, and shall not project beyond the property line.
5. No fence shall be constructed on any street right-of-way or in such a manner as to be hazardous or dangerous to persons or animals or adversely affect the public health, safety and welfare. (Prohibited materials include barbed wire, sharp points on wrought iron fences, and electrical fences)
6. No fence or other visual barrier shall be so located and placed that it obstructs the vision of a motor vehicle driver approaching any street or intersection. (Line of sight at

intersections shall conform to the sight triangle of the City of Liberal Ordinance.)

7. No fence shall be erected or maintained which will materially damage the adjacent property by obstructing the view, shut out sunlight or hinder ventilation of the adjoining property owner.
8. No fence shall be constructed until a "no fee" permit has been obtained from the Building Department.

Section 3. Building Setback Lines: Building setback lines are hereby established for all arterial and collector streets, as shown on the approved Major Street Plan. The setback lines as established in this section, shall be held to the minimum for the purpose of promoting the public health, safety, morals, order, convenience, and economy in the process of development and shall conform with the following requirements:

1. **Arterial Streets:** No building or structure which fronts or sides on an arterial street shall be located nearer to the right-of-way line of the arterial street than the sum of the required front yard in feet plus fifty feet (50').
2. **Collector Streets:** No building or structure which fronts or sides a collector street shall be located nearer to the right-of-way line of the collector street than the sum of the required front yard in feet plus forty feet (40').

Section 4. Lots of Record: A lot or group of lots which were platted and recorded in the office of the Register of Deeds prior to the Effective date of this Ordinance may be used for any purpose permitted in the district in which it is located; provided, that no residential building permit shall be issued for the construction of a residential structure on a lot or group of lots that do not conform with the minimum yard and height requirements unless specifically authorized by the Board of Zoning Appeals.

Section 5. Canopy and Marquee: A canopy or marquee may be permitted to "overhang a public way" in District "C-3" providing:

1. The canopy or marquee is constructed and maintained in accordance with the City Building Code and other codes, ordinances and resolutions.
2. No portion of the canopy or marquee shall be less than eight feet (8') above the level of the sidewalk or other public way.

3. The canopy or marquee shall not extend beyond a point two feet (2') inside the curb line of a public street.

Section 6. Plans and Approval Required:

1. Plans showing layout and design of all curb cuts, driveways and off-street parking areas shall be submitted and approved by the City Engineer prior to a permit being issued.
2. Before approving the parking layout, the City Engineer shall satisfy himself that the spaces provided are usable and meet standard design criteria. All required off-street parking areas, including access drives, shall be improved with asphalt, concrete or similar dust free surface and all parking spaces shall be clearly marked and provide safety barriers.

Section 7. Sidewalks:

1. No building or structure shall hereafter be constructed or relocated within the City of Liberal, Kansas, unless said application and permit required herein for said building or structure shall include the construction of sidewalks per City specifications set forth in Article 3, Chapter 15 of this Code of Ordinances.
2. Sidewalk construction shall hereafter be and is a part of all building or structure construction or relocation permits.
3. All plans, designs and specifications for sidewalks shall conform to existing sidewalks in any given block. The City Engineer shall review the plans and determine the type of sidewalk and the grade that is to be constructed.

Section 8. Home Occupations.

1. Any home occupation that is customarily incidental to the principal use of a building as a dwelling or its' accessory building, shall be considered a conditional use in any residential or agricultural district. The applicant for a home occupation must make application to the Board of Zoning Appeals, as provided in Article XXIII, Section 6 of the Zoning Regulations. In addition to the requirements set forth in Article XXIII, notices shall be mailed not less than twenty (20) days prior to the date of the meeting to owners of property within a radius of two hundred feet (200') of the external boundaries of the property described in the application using for this purpose the name and address of such owners as are

shown on the latest official tax roll of the County of Seward. Such notice shall contain all pertinent data related to the case.

2. A home occupation is defined as a business, profession, occupation or trade conducted entirely within a dwelling or its' accessory building, which use is clearly incidental and secondary to the use of the dwelling for dwelling purposes, providing either a service or a product, yet does not change the character thereof, and in connection with which there is no commodity sold upon the premises except that which is produced thereon.
